

Design Domain

the design domain, done right.

Founded by NREUV Advisors & DakJen Creative, we pair development-scale expertise with *boutique-level detail* — sourcing through install, one contract, one team.

Every phase is managed in-house: curated sourcing, space planning, logistics, delivery, and final styling. Spaces arrive cohesive, on budget, and on schedule.

- 01 Procurement & Sourcing**
Curated, cost-efficient selections for every budget.
- 02 Design & Space Planning**
Cohesive layouts balancing style and durability.
- 03 Logistics & Installation**
Shipping, receiving, setup, styling — turnkey.
- 04 Vendor Management**
Nationwide manufacturer & distributor access.

35%

SAVINGS OVER MARKET PRICING

Most procurement firms mark up 70–100%. We work at 20–50% — no showroom overhead, no inflated invoice.

Developers & Multifamily

- Model unit staging that drives lease-up velocity
- Amenity, lobby & leasing-office packages
- Quotes formatted for lenders & funders

Property Managers

- Rental-replacement & furnished-unit procurement
- Rent-vs.-own cost comparisons
- Durable, tenant-proof specifications

Flippers & Investors

- Full staging — furniture, styling & delivery, one price
- Buy-through pricing, not retail
- Quick-turn sourcing for listing deadlines

The fun part —

When the project's done, the furniture keeps giving. Donate furnishings at end-of-life through our nonprofit partner: take the charitable write-off, and the pieces are raffled to residents in the community.
